The Coon Lake Community & Senior Center (CLCSC) is a body of people who are concerned with the quality of life on Coon Lake Beach. We provide support for local concerns, maintain and organize the Dock Space Program and maintain the Center (Clubhouse). Memberships are available at volunteer (requires a minimum of 10 volunteer hours annually) and non-volunteer levels, with or without a dock space, but you **MUST** be a member in order to obtain a dock space.

As a member, you have an option to pay for, maintain and use up to two dock spaces. While one space is available for every requesting resident in good standing, up to one additional dock space may be issued based on availability. The additional space requires a payment at the non-volunteer level. **If you are renewing your dock space(s) indicate the number of dock space(s) by placing an “x” in the box directly to the right of the corresponding item** and enclose payment for the correct amount as outlined in the cost of membership section.
